

# Sacramento County's Accessible Equipment & Signs to Better Serve Our Voters

Equipment	Picture	Use
<b>Dominion's ICX Accessible Ballot Marking Devices</b>		Allows voters with vision, learning, physical and other disabilities to mark ballots privately independently. For use by any voter!
<b>Adapted Chairs</b>		Provided by our office for use by any voter.
<b>Accessible Parking Pole Signs</b>		Reserve parking spaces for buildings with on-street parking.

**Accessible Voting Booths**

Allows voters to sit in a chair or wheelchair to privately mark their paper ballot.

**Cones**

Creates an access aisle for off-street parking.

Creates a cane detectable barrier to block protrusions, obstructions, uneven surfaces, or grates.

**Curbside Voting Signs**

Sign letting any voter who cannot physically enter a Vote Center know curbside voting is available.

**Directional Signs  
with International  
Symbol of  
Accessibility  
(ISA)**

Direct voters to the accessible entrance or to the accessible parking area of a Vote Center.

**Van Accessible  
Parking Signs**

Reserve a Van Accessible Parking Space when there is not one already available at the Vote Center.
